### Frame Allowances and Overages

Under the Enhanced Advantage Plan, your patient's frame allowance is represented by a combination of the wholesale frame amount and corresponding retail amount for which your patient is covered. You receive your frame dispensing and the wholesale cost up to their wholesale allowance, plus collect any overage according to our frame overage procedures. When the selected frame exceeds both the wholesale and equivalent retail allowance coverage, your patient is responsible for the overages exceeding their retail frame allowance at 80% of U&C.

For Advantage Plan members, Essentials Plan members and some VSP members whose coverage is under certain, specific client groups, other reimbursement rates may apply. For a listing of such rates, which are hereby incorporated by reference, please refer to VSP's Provider Reference Manual.
